

First Floor Bedrooms (the top level of the property). The top floor is accessed by the stairs coming up between bedrooms 4 and 5.

Each bedroom has an ensuite bathroom.

Bedroom 6 is either accessed by walking through bedroom 5 or by the separate access from the front of the house by external stairs leading to the door marked with a red X on the plan.

The first floor bedrooms (bedrooms 3,4,5 and 6) are above the kitchen and library (the East side of the house). This floor has one bedroom and all the entertaining space.

This is the master suite on the ground floor at the West of the house. This bedroom has doors directly onto the outside space and garden.
